

*Final Report on the National Emergency
With Respect to the International Criminal Court*

I hereby report to the Congress on developments and expenditures relating to the national emergency declared in Executive Order (E.O.) 13928 of June 11, 2020, with respect to the International Criminal Court (ICC). In accordance with section 204(c) of the International Emergency Economic Powers Act (IEEPA), 50 U.S.C. 1703(c), this report covers actions taken in the exercise of national emergency authorities under IEEPA, and implementing regulations set forth at 31 C.F.R. part 520 (International Criminal Court-Related Sanctions Regulations). It also covers expenses that are directly attributable to the exercise of those authorities, in accordance with section 401(c) of the National Emergencies Act (NEA), 50 U.S.C. 1641(c).

IEEPA Reporting (from November 19, 2020, through April 1, 2021)

1. On April 1, 2021, the President issued E.O. 14022, “Termination of Emergency With Respect to the International Criminal Court” (86 Fed. Reg. 17895, April 7, 2021). In E.O. 14022, the President found that although the United States continues to object to the ICC’s assertions of jurisdiction over personnel of such non-States Parties as the United States and its allies absent their consent or referral by the United Nations Security Council and will vigorously protect current and former United States personnel from any attempts to exercise such jurisdiction, the threat and imposition of financial sanctions against the Court, its personnel, and those who assist it are not an effective or appropriate strategy for addressing the United States’ concerns with the ICC. Accordingly, he terminated the national emergency declared in E.O. 13928 and revoked E.O. 13928. A copy of E.O. 14022 is attached to this report.

2. The Department of the Treasury’s Office of Foreign Assets Control (OFAC) did not close any licensing cases (which may take the form of specific licenses, license amendments, “return-without-action” letters, general information letters, interpretive guidance letters, denial letters, closed without determination letters, or withdrawals), and received no reports of the blocking of transactions or accounts pursuant to the authorities referenced above.

Final NEA Reporting

3. Pursuant to section 401(c) of the NEA, I am submitting the final report to the Congress on the total expenses incurred by the federal government that are directly attributable to the exercise of powers and authorities conferred by the declaration of the national emergency with respect to the ICC. The total expenses incurred since June 11, 2020, are estimated at approximately \$330,000.
