## **PART B - QUALIFICATIONS**

### **14. QUALIFICATIONS (DESCRIBE WHY YOU BELIEVE YOU ARE QUALIFIED TO SERVE IN THE POSITION FOR WHICH YOU HAVE BEEN NOMINATED):**

Throughout my career, and particularly in the last decade, I have been involved in military operations to counter some of our nation's most dangerous enemies and to address complex national security challenges. As a result, I have become familiar both with the primary threats facing our nation and with the Agency's vital role in protecting the American people. In particular, as COMMNF-I, COMUSCENTCOM, and COMISAF, I have commanded both operational and tactical intelligence assets; coordinated closely with the Agency on day-to-day operations; helped to develop comprehensive campaign plans to integrate Agency assets with other instruments of national power in Iraq, Afghanistan, and elsewhere; and participated in the review of National Intelligence Estimates. Moreover, during this time, I have been a consummate consumer of daily intelligence reports, and have also had the chance to observe firsthand the importance of intelligence assessments for senior policymakers.

No, to the best of my knowledge. I have been interviewed by audit agencies including GAO, DoDIG, SIGIR, and SIGAR, among others, for audits and studies of the missions in Iraq and Afghanistan. For example, I was interviewed by GAO in 2007 for a report titled "Stabilizing Iraq: DOD Cannot Ensure That U.S.-Funded Equipment Has Reached Iraqi Security Forces (GAO-07-711)." The report states that it is a "Report for Congressional Committees" and "Because of broad-based congressional interest in this issue, we performed our work under the authority of the Comptroller General of the United States to conduct reviews on his own initiative." In the report, I was not personally named and was referred to as the "former MNSTC-I commander."

No

44. HAVE YOU EVER BEEN THE SUBJECT OF ANY INSPECTOR GENERAL INVESTIGATION? IF SO, PROVIDE DETAILS.

a. DoD Case 03-103040 (Not Substantiated): The Army IG investigated an allegation that then-MG Petraeus, Commanding General, 101st Airborne Division, improperly presented two gold-plated AK-47 rifles to the Commanding General, V Corps, during a May 2003 Battle Update Brief. The investigation determined that the weapons were not presented as a personal gift to the CG and were being processed as historical artifacts to be displayed at the V Corps headquarters in Heidelberg, Germany.

b. DoD Case 05-103727 (Not Substantiated): The Commanding General, Multi-National Forces—Iraq, requested the Army IG conduct a special investigation into several issues identified in a letter written by a colonel who committed suicide while assigned to Multi-National Security Transition Command—Iraq (MNSTC-I). The letter criticized "P3," who was assumed to be then-LTG Petraeus, Commander, MNSTC-I. The investigation focused on whether "P3" provided adequate mission support to subordinates; provided adequate supervision and oversight of the contract mission; took appropriate action in response to allegations of fraud, waste, and abuse; and created or ignored a command climate or mission that led to corruption and human rights abuses. The investigation determined that the issues were not substantiated and found the command climate to be very positive.

c. DoD Case 10-116025 (Not Substantiated): USCENTCOM investigated allegations that a general officer failed to properly secure and protect classified material while serving in Afghanistan and that GEN Petraeus closed the initial inquiry in order to protect the general. The USCENTCOM investigation determined that GEN Petraeus took appropriate action by directing an AR 15-6 investigation, approving the substantiated findings and recommendations, and administering corrective action against the general officer. The investigation also confirmed that all security-related reporting requirements were accomplished.

## **PART G - ADDITIONAL INFORMATION**

48. DESCRIBE IN YOUR OWN WORDS THE CONCEPT OF CONGRESSIONAL OVERSIGHT OF U.S. INTELLIGENCE ACTIVITIES. IN PARTICULAR, CHARACTERIZE WHAT YOU BELIEVE TO BE THE OBLIGATIONS OF THE DIRECTOR OF CIA AND THE INTELLIGENCE COMMITTEES OF THE CONGRESS RESPECTIVELY IN THE OVERSIGHT PROCESS.

The concept of congressional oversight derives from the Constitution and, as such, is one of Congress's most important duties to the American people. Similarly, the Director of CIA has a solemn obligation to provide all necessary information to enable Congress to discharge these duties. If confirmed, I believe it will be my responsibility to ensure that the relevant committees are kept informed of the full range of the Agency's activities – to include both successes and failures – as well as budgetary matters to ensure that the Agency is being a responsible steward of taxpayer money. Moreover, it is the responsibility of the committees and the Director to ensure that the Agency conforms to all US laws and, most importantly, the Constitution.

49. EXPLAIN YOUR UNDERSTANDING OF THE RESPONSIBILITIES OF THE DIRECTOR OF CIA.

It is my understanding that the Director of CIA is responsible for the global operations, personnel, and budget of the CIA. The Director provides timely, un-biased, and accurate intelligence information to the President, to the National Security Council, and to other government entities supporting our national-security mission. He reports to the Director of National Intelligence and acts as the National Human Source Intelligence Manager.
