Jurisdiction and Special Oversight Function

Clause 11(b)(1) of rule X of the Rules of the House of Representatives for the 112th Congress sets forth the jurisdiction of the Permanent Select Committee on Intelligence—

(A) The Central Intelligence Agency, the Director of National Intelligence, and the National Intelligence Program as defined in section 3(6) of the National Security Act of 1947.

(B) Intelligence and intelligence-related activities of all other departments and agencies of the Government, including the tactical intelligence and intelligence-related activities of the Department of Defense.

(C) The organization or reorganization of a department or agency of the Government to the extent that the organization or reorganization relates to a function or activity involving intelligence or intelligence-related activities.

(D) Authorizations for appropriations, both direct and indirect, for the following:
   (i) The Central Intelligence Agency, the Director of National Intelligence, and the National Intelligence Program as defined in section 3(6) of the National Security Act of 1947
   (ii) Intelligence and intelligence-related activities of all other departments and agencies of the Government, including the tactical intelligence and intelligence-related activities of the Department of Defense.
   (iii) A department, agency, subdivision, or program that is a successor to an agency or program named or referred to in (i) or (ii).

Clause 3(m) of rule X of the Rules of the House of Representatives for the 112th Congress sets forth the Special Oversight Function of the Permanent Select Committee on Intelligence as follows—“The Permanent Select Committee on Intelligence shall review and study on a continuing basis laws, programs, and activities of the intelligence community and shall review and study on an exclusive basis the sources and methods of entities described in clause 11(b)(1)(A).”
LEGISLATIVE AND OVERSIGHT ACTIVITIES

During the second half of the second session of the 112th Congress, 19 bills or resolutions were referred to the Permanent Select Committee on Intelligence. The Full Committee reported to the House or was discharged from the further consideration of 6 measures, not including conference reports. One measure regarding matters within the Committee’s jurisdiction was enacted into law.

The following is a summary of the legislative and oversight activities of the Permanent Select Committee on Intelligence during the fourth quarter of the 112th Congress. In addition, this report includes a summary of hearings held pursuant to clauses 2(n), (o), and (p) under House rule XI.

LEGISLATIVE ACTIVITIES

FULL COMMITTEE

FISA AMENDMENTS ACT REAUTHORIZATION ACT OF 2012

(H.R. 5949)

Summary

H.R. 5949 reauthorizes for five years the FISA Amendments Act of 2008, which is set to expire at the end of 2012. The 2008 Act authorized critical tools for the intelligence community to more quickly and effectively monitor the communications of foreign terrorists. Significantly, it provided authorities that allow the intelligence community to target for intelligence collection foreign persons located outside the United States without requiring the government to obtain an individualized court order. It also provided new civil liberties protections for Americans and, for the first time, required a court order to target Americans for this type of intelligence collection while they are located abroad.

The Act also expanded congressional oversight with a semi-annual report to Congress from the Administration on certifications or orders obtained under the Act, compliance reviews, and incidents of noncompliance. The Act amended a reporting requirement that required the Attorney General to submit to Congress a copy of any Foreign Intelligence Surveillance Court order, opinion, or decision, and the accompanying pleadings, briefs, and other memoranda of law when the court’s decision includes “significant construction or interpretation of any provision” of FISA. This expands the amount of background and supporting material that the Committee receives in connection with a significant decision by the FISC. Prior to enactment of the FISA Amendments Act in 2008, only “decisions and opinions” containing significant construction or interpretation of FISA were required to be submitted to Congress.

Legislative History

H.R. 5949 was introduced by Representative Lamar Smith on June 15, 2012 and the bill was referred to the House Judiciary Committee and the Permanent Select Committee on Intelligence.

On June 19, 2012 the House Judiciary Committee held a business meeting to consider H.R. 5949 and ordered the bill reported to the House, without amendment, by a recorded vote, 23 ayes and 11 noes.
On June 28, 2012 the Permanent Select Committee on Intelligence held a business meeting to consider H.R. 5949 and ordered the bill reported, without amendment, to the House by a recorded vote, 17 ayes and 0 noes.

On August 2, 2012, the House Judiciary Committee reported H.R. 5949 to the House.

On August 2, 2012, the Permanent Select Committee on Intelligence reported H.R. 5949 to the House.

On September 12, 2012, the House considered H.R. 5949 and passed the bill by recorded vote, 301 ayes and 118 noes.

OVERSIGHT PLAN FOR THE 112TH CONGRESS

Clause 1(d)(2)(E) of rule XI also requires that each committee provide a delineation of any hearings held pursuant to clauses 2(n), (o), or (p) of rule XI. Those clauses require the committee, or a subcommittee thereof, to hold at least one hearing on egregious instances of agency waste, fraud, abuse and mismanagement, at least one hearing on agency financial statements, and one hearing on issues raised by the Comptroller General of the United States.

As part of the Committee's oversight and authorization of the intelligence community budget, the Committee conducts numerous classified hearings and briefings that focus on issues of potential waste, fraud, abuse and mismanagement in federal agencies. These Committee efforts result in the annual intelligence authorization bills. These bills contained detailed classified annexes on all intelligence community programs and budgets. A review of potential waste, fraud, abuse, and mismanagement within these programs is an inextricable part of the development of the classified annex. Additionally, those classified hearings and briefings resulted in the House passage of H.R. 5949, the FISA Amendments Reauthorization Act of 2012, during this quarter.
