

FY2020 NDAA Reports or Studies-2

Reports or Studies mandated in the FY2020 National Defense Authorization Act

Annual military cyberspace operations report (sec. 1644)
Annual report on cyber attacks and intrusions against the Department of Defense by certain foreign entities (sec. 1645)
Annual report on Joint Military Information Support Operations Web Operations Center (sec. 1711)
Annual report on Space Command and Control program (sec. 1613)
Annual report on strikes undertaken by the United States against terrorist targets outside areas of active hostilities (sec. 1723)
Annual reports on approval of employment or compensation of retired general or flag officers by foreign governments for emoluments clause purposes (sec. 651)
Annual State report card (sec. 579)
Assessment and report on strategic seaports (sec. 3515)
Assessment and study of Transition Assistance Program
Authority for return of personal property to victims of sexual assault who file a Restricted Report before conclusion of related proceedings (sec. 536)
Availability of data on the use of other transaction authority and report on the use of authority to carry out prototype projects (sec. 819)
Biannual report on the Joint Artificial Intelligence Center (sec. 260)
Comptroller General of the United States report on implementation by the Armed Forces of recent statutory requirements on sexual assault prevention and response in the military (sec. 540M)
Comptroller General of the United States report on post-government employment of former Department of Defense officials
Comptroller General of the United States report on the effects of continuing resolutions on readiness and planning of the Department of Defense
Comptroller General report on contingency contracting (sec. 887)
Comptroller General report on contractor violations of certain labor laws (sec. 886)
Comptroller General report on defense business processes
Comptroller General report on environmental cleanup of Vieques and Culebra, Puerto Rico
Comptroller General report on oversight of contractors providing private security functions (sec. 889)
Comptroller General report on price reasonableness (sec. 804)
Comptroller General study on PFAS contamination
Cyber science and technology activities roadmap and reports (sec. 257)
Department of Transportation Inspector General Report (sec. 3512)
Element in annual reports on the Financial Improvement and Audit Remediation Plan on activities with respect to classified programs (sec. 1008)
Elimination of limitation on availability of funds relating to submission of annual reports on unfunded priorities (sec. 3115)
Elimination of requirement to submit reports to Congress in paper format
Extension and modification of semiannual report on enhancing security and stability in Afghanistan (sec. 1214)
Extension of authority for and report on training for Eastern European national security forces in the course of multilateral exercises (sec. 1247)

FY2020 NDAA Reports or Studies-2

Feasibility study on establishment of database of military protective orders (sec. 550E)

Feasibility study regarding notification to Secretary of Homeland Security of honorable discharges of non-citizens (sec. 530A)

First modification of elements of report on the improved Transition Assistance Program (sec. 563)

Funding for CDC ATSDR PFAS health study increment

GAO report on contracting practices of the Corps of Engineers

GAO report on Department of Defense quality assurance program and impacts of medical malpractice actions (sec. 747)

GAO review of defense resale optimization study (sec. 633)

Guidance and reports relating to covered defense business systems (sec. 839)

Human trafficking in the seafood supply chain report (sec. 3563)

I-DEPARTMENT OF ENERGY NATIONAL SECURITY PRO-GRAMS-Continued Subtitle C-Reports and Other Matters-Continued Civil penalties for violations of certain whistleblower protections (sec. 3131)

Implementation of common financial reporting system for nuclear security enterprise (sec. 3120)

Improvement to annual report on the modernization of the nuclear weapons enterprise (sec. 1665)

Inclusion of best in class designations in annual report on small business goals (sec. 871)

Inclusion of certain individuals investigated by Inspectors General in the semiannual report (sec. 1710)

Inclusion of certain military construction projects in annual reports on unfunded priorities of the Armed Forces and the combatant commands (sec. 1005)

Readiness reporting (sec. 361)
Repeal of quarterly report on end strengths
Repeal of review requirement for ammonium perchlorate report (sec. 1696)
Report and briefing on administrative budgeting of foreign military sales program
Report and briefing on implementation of national defense strategy (sec. 1708)
Report and briefing on multi-volume kill capability (sec. 1693)
Report and briefing on the Senior Reserve Officers' Training Corps (sec. 520B)
Report and database on items manufactured in the United States for major defense acquisition programs
Report and strategy on terminated foreign contracts
Report by Defense Intelligence Agency on certain military capabilities of China

FY2020 NDAA Reports or Studies-2

and Russia

Report on aircraft fleet of the Civil Air Patrol (sec. 152)

Report on annual defense spending by ally and partner countries

Report on B-52 commercial engine replacement program (sec. 258)

Report on capacity of Department of Defense to provide survivors of natural disasters with emergency short-term housing

Report on carrier wing and aviation combat element composition (sec. 134)

Report on certain waivers (sec. 596)

Report on civilian personnel shortages for appropriate oversight of management of military housing constructed or acquired using alternative authority for acquisition and improvement of military housing (sec. 3041)

Report on contracts with entities affiliated with the Government of the People's Republic of China or the Chinese Communist Party

Report on contracts with entities affiliated with the Government of the People's Republic of China or the Chinese Communist Party

Report on cost growth of major defense acquisitions programs

Report on cost imposition strategy (sec. 1280)

Report on cybersecurity activities with Taiwan (sec. 1260B)

Report on cybersecurity training programs (sec. 1649)

Report on Department of Defense use of intergovernmental support agreements

Report on direct, indirect, and burden-sharing contributions of Japan and South Korea (sec. 1255)

Report on effects of increased automation of defense industrial base on manufacturing workforce

Report on efforts to combat Boko Haram in Nigeria and the Lake Chad Basin

Report on efforts to reduce high energy intensity at military installations (sec. 338)

Report on encroachment challenges on military installations posed by non-military aircraft

Report on establishment of guardian ad litem program for certain military dependents who are a victim or witness of an offense under the Uniform Code of Military Justice involving abuse or exploitation (sec. 540L)

Report on executive helicopter flights in the National Capital Region

Report on expanding naval vessel maintenance (sec. 1039)

Report on expansion of Air Force safe to report policy across the Armed Forces (sec. 540H)

Report on expansion of the Close Airman Support team approach of the Air Force to the other Armed Forces

Report on export of certain satellites to entities with certain beneficial ownership status (sec. 1283)

Report on extension to members of the reserve components of the Armed Forces of special and incentive pays for members of the Armed Forces not currently payable to members of the reserve components (sec. 653)

Report on feasibility of multiyear contract for procurement of JASSM-ER missiles (sec. 151)

Report on financial costs of overseas United States military posture and operations

Report on food insecurity among members of the Armed Forces and their dependents (sec. 656)

FY2020 NDAA Reports or Studies-2

Report on foreign military activities in Pacific Island countries (sec. 1260A)
Report on Global Health Security Strategy and the National Bio- defense Security (sec. 745)
Report on ground based long-range artillery to counter land and maritime threats (sec. 1715)
Report on hostilities involving United States Armed Forces
Report on implementation of contributions to the Department of De-fense Military Retirement Fund based on pay costs per Armed Force rather than on Armed Forces-wide basis (sec. 655)
Report on implications of Chinese military presence in Djibouti (sec. 1270)
Report on innovation investments and management
Report on intellectual property policy and the cadre of intellectual property experts (sec. 838)
Report on intelligence community assessment relating to the killing of Washington Post columnist Jamal Khashoggi (sec. 1277)
Report on joint force plan for implementation of strategies of the Department of Defense for the Arctic
Report on lead service lines at military installations
Report on lessons learned from efforts to liberate Mosul and Raqqa from control of the Islamic State of Iraq and Syria (sec. 1225)
Report on mechanisms to enhance the integration and synchroni-zation of activities of Special Victim Investigation and Prosecution personnel with activities of military criminal investigative organi-zations
Report on mental health assessments
Report on methods to enhance domestic response to large scale, com-plex and catastrophic disasters (sec. 520A)
Report on military activities of the Russian Federation and the Peo- ple's Republic of China in the Arctic region (sec. 1238)
Report on military justice system involving alternative authority for determining whether to prefer or refer charges for felony offenses under the Uniform Code of Military Justice (sec. 540F)
Report on military-to-military dialogue to reduce risks of miscalcula-tion leading to nuclear war (sec. 1675)
Report on modernization of information technology and infrastruc-ture for electromagnetic spectrum management (sec. 261)
Report on modernization of Joint Pacific Alaska Range Comple
Report on National Guard and United States Northern Command capacity to meet homeland defense and security incidents (sec. 1720)
Report on Navy ship depot maintenance budget (sec. 363)
Report on North Atlantic Treaty Organization Readiness Initiative (sec. 1250)
Report on nuclear forces of the United States and near-peer countries (sec. 1676)
Report on operation of conventional forces of certain combatant commands under employment or threat of employment of nuclear weapons (sec. 1678)
Report on operation of conventional forces of military departments under employment or threat of employment of nuclear weapons (sec. 1677)
Report on operational medical and dental personnel requirements
Report on oversight of authorized strengths of certain grades of com-missioned regular and reserve officers of the Armed Forces (sec. 595)

FY2020 NDAA Reports or Studies-2
