The resolution waives all points of order against provisions in the bill, as amended. The resolution makes in order only those further amendments printed in part B of this report. Each such amendment may be offered only in the order printed in this report, may be offered only by a Member designated in this report, shall be considered as read, shall be debatable for the time specified in this re-

port equally divided and controlled by the proponent and an opponent, shall not be subject to amendment, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole. The resolution waives all points of order against the amendments printed in Part B of this report. The resolution provides one motion to recommit with or without instructions. The resolution provides that if H. Rept. 116–125 is called up by direction of the Committee on Oversight and Reform, all points of order against the report shall be waived and it shall be considered as read. Rept. 116–125 shall be considered as read and shall not be subject to a demand for division of the question. Sections 3 through 5 of the resolution replace the structure for expedited consideration of joint resolutions disapproving of certain transactions under section 36 of the Arms Export Control Act with a framework that allows any qualifying reported House joint resolution or any Senate joint resolution (reported or unreported) to be privileged if called up by the chair of the Committee on Foreign Affairs after proper notice. Section 3(a) provides that the previous question is ordered on any joint resolution called up under these procedures except for: (1) 20 minutes of debate equally divided and controlled by the chair and ranking minority member of the Committee on Foreign Affairs; and (2) one motion to commit or recommit. Section 3(b) provides that the debate time on a joint resolution be expanded to one hour upon the demand of the chair of the Committee on Foreign Affairs at the time the joint resolution is called up. These procedures apply to any reported House joint resolution or any Senate joint resolution that disapproves of a specified transaction under section 36 of the Arms Export Control Act, regardless of the status of the transaction. The resolution provides that Sections 36(b)(3), 36(c)(3)(B), and 36(d)(5)(B) of the Arms Export Control Act shall not apply in the House during the remainder of the One Hundred Sixteenth Congress. #### EXPLANATION OF WAIVERS

The waiver of all points of order against consideration of H.R. 3494 includes waivers of the following:

- Clause 12(a)(1) of rule XXI which prohibits consideration of a bill unless there is a searchable electronic comparative print that shows how the bill proposes to change current law.
- Clause 12(b) of rule XXI which prohibits consideration of a bill unless there is a searchable electronic comparative print

that shows how the text of the bill as proposed to be considered differs from the text of the bill as reported.

The waiver of all points of order against consideration of H.R. 3494 also may include a waiver of Clause 10 of rule XXI, which prohibits consideration of a measure that has a net effect of increasing the deficit or reducing the surplus over the five- or 10-year period; and a waiver of Section 302(f)(1) of the Congressional Budget Act, which prohibits consideration of legislation providing new budget authority in excess of a 302(a) or 302(b) allocation of such authority. However, it is important to note that the estimate provided by the Congressional Budget Office (CBO) to the Permanent Select Committee on Intelligence and the Committee on the Budget is incomplete due to the fact that CBO is only permitted to score the unclassified portions of the bill. Because the estimate is incomplete, the Chair of the Committee on the Budget is unable to accurately advise the Chair on budget related points of order.

The waiver of all points of order against provisions in H.R. 3494 includes a waiver of the following:

- Clause 5(a)(1) of rule XXI which prohibits a bill carrying a tax or tariff measure from being reported by a committee not having jurisdiction to report tax or tariff measures.

Although the resolution waives all points of order against consideration of the resolution accompanying H. Rept. 116–125, the Committee is not aware of any points of order. The waiver is prophylactic in nature.

Although the resolution waives all points of order against consideration of H. Res. 489, the Committee is not aware of any points of order. The waiver is prophylactic in nature.
