SECNAV INSTRUCTION 3800.9B

From: Secretary of the Navy

Subj: NATIONAL CENTER FOR MEDICAL INTELLIGENCE (NCMI)

Ref: (a) DoD Instruction 6420.01 of 25 April 2018

1. Purpose. To outline Navy responsibilities under reference (a) which reflect changes in the organization and conduct of Department of Defense (DoD) medical intelligence activities.

2. Cancellation. SECNAVINST 3800.9A.

3. Applicability. This instruction applies to all Navy and Marine Corps activities.

4. Policy. Per reference (a):

a. There will be a unified Defense community for medical intelligence activities; those activities will be executed in a coordinated and coherent manner to effectively respond to U.S. intelligence priorities in support of national security objectives, and in accordance with all applicable laws, Presidential directives, DoD issuances, and Director of National Intelligence (DNI) guidelines.

b. NCMI is the DoD lead activity for the production of medical intelligence and will prepare and coordinate integrated, all-source intelligence for the DoD and other government and international organizations on foreign health threats and other medical issues to protect U.S. interests worldwide.

5. Discussion. NCMI is a DoD intelligence production organization jointly staffed by personnel from each of the Military Departments, with authority to conduct day-to-day

operations, subject to overall policy and regulatory control of the Director, Defense Intelligence Agency.

6. Mission. To act as the focal point in the DoD for compiling, producing, and distributing finished intelligence on foreign military and civilian medical capabilities, medical intelligence products and assessments.

7. Responsibilities. The Chief of Naval Operations shall:

a. Plan and program for medical intelligence resources as directed in reference (a).

b. Provide military personnel consistent with NCMI mission requirements.

8. Records Management

a. Records created as a result of this instruction, regardless of format or media, must be maintained and dispositioned according to the records disposition schedules found on the Directives and Records Management Division (DRMD) portal page:
