SUMMARY OF CHANGES

This rewrite incorporates changes resulting from the Headquarters Air Force mandated compliance statement review and identifies Tiered waiver authorities for unit level compliance items.

Chapter 1

OVERVIEW

1.1. Overview. With the rise of PRC influence in the international community and the increasing capabilities of the Chinese military, Air Force military-to-military relationship with the People's Liberation Army (PLA), the People's Liberation Army Navy (PLAN), and the People's Liberation Army Air Force (PLAAF) is becoming more crucial than before. AFPD 16-1 establishes the Deputy Under Secretary of the Air Force, International Affairs, (SAF/IA) is responsible for oversight and advocacy of Air Force international programs and policies, to include visits of foreign officials to Air Force installations. AFPD 16-1 also establishes SAF/IA as the Air Force international affairs focal point for Department of Defense (DoD), Joint Staff, and other Military Departments. Accordingly, this Instruction provides guidance for all Air Force personnel hosting and supporting visits by PRC personnel, as well as for all Air Force personnel visiting the PRC or otherwise coming in contact with PRC personnel. The coordination of Air Force effort ensures appropriate support is provided to the person coming in contact with PRC personnel, and ensures that all USAF conduct is based upon the principles as laid out by the official DoD policy on the PRC. The success of these visits, whether US or PRC-led, directly affects relationships between the US and the PRC, as well as our relationships with our allies and partners, and is thereby important in support of national and regional politico-military objectives.

1.1.1. This Instruction also covers contact by USAF personnel with personnel of the HKSAR of the PRC.

1.1.2. This Instruction implements DoDI C-2000.23 and DoDI S-2000.24, which provide DoD guidance on contact by all DoD personnel with the PRC and HKSAR, respectively.

Chapter 2

Specifically, SAF/IA will:

2.2.1.1. Determine if USAF personnel's contact requires a Defense Contact Proposal (DCP) to be submitted to the Assistant Secretary of Defense for Asian and Pacific Security Affairs (ASD(APSA)).

2.2.1.3. Assist in the review/editing process of the DCP, and submit to ASD(APSA) through OSD(Policy) and Joint Staff no later than 45 days before contact with PRC or HKSAR personnel.

2.2.1.4. Provide updates on the status of the DCP as necessary to USAF personnel.

2.2.1.5. Ensure USAF personnel develop an After-Action Report (AAR) following completion of contact, for submission to ASD(APSA).

2.2.2. Coordinate with USAF MAJCOMs to develop an Annual Mil-to-Mil Contact Plan for submission to OSD in the month of September, which better facilitates the OSD approval process for the next calendar year.
