It applies to all Headquarters Air Force (HAF) military, civilian and contractor personnel. Users must comply with Air Force Manual (AFMAN) 33-302, Freedom of Information Act Program (FOIA and Air Force Instruction (AFI) 31-401, Information Security Program (MDR) which provide overarching Air Force FOIA and MDR program guidance, to include roles and responsibilities; and must ensure that records created as a result of processes prescribed in this publication are maintained in accordance with the AFMAN 33-363, Management of Records, and disposed of in accordance with the Air Force Records Disposition Schedule (RDS) located at <https://www.my.af.mil/afrims/afrims/afrims/rims.cfm>. SUMMARY OF CHANGES

This document has been substantially revised and must be completely reviewed.

1. Overview/Background:

1.1. The FOIA is an access statute that opens the business of government to the general public. The FOIA allows anyone, regardless of citizenship, to request copies of existing government records without giving a reason for their request.

1.2. Generally, all government information is subject to the FOIA. This information includes all paper and electronic materials (not just records maintained in the organization's official filing system), including information maintained in Privacy Act (PA) systems of records. It also includes e-mail, word processing files, agency working files, etc. The public may inspect or obtain copies of all public filings (public records) maintained by an agency through public reference facilities or public web pages. However, requests for access to non-public agency records must be submitted in writing under the provisions of the FOIA.

1.3. The FOIA requires all federal agency records to be released to the public upon written request. **EXCEPTIONS:** There are nine specific exemptions and two specific law enforcement record exclusions that may require and/or allow an agency to deny access by the requester. For more information on these exemptions and exclusions, refer to AFMAN 33 302, Chapter 3.

1.4. The FOIA, as implemented in AFMAN 33-302, requires the government to respond to written requests (including facsimile or e-mail) for information within 20 workdays after receipt of the request. Therefore, when an office receives a written FOIA request for agency records from anyone outside the organization the request must be forwarded to the HAF FOIA Requester Service Center (SAF/AAII (FOIA)) for log in and staffing. The request must be forwarded by either email to usaf.pentagon.saf-aa.mbx.haf-foia-workflow@mail.mil or by fax to (703) 703-693-5728. In addition to emailing or faxing, the original (hardcopy) request letter must be forwarded to SAF/AAII (FOIA), 1000 Air Force Pentagon, Washington, DC 20330-1000.

1.5. Once a request has been received by a designated FOIA monitor or OPR, all responsive information must be reviewed for release by the office receiving the request; no information may be created or destroyed. If the organization's Initial Denial Authority (IDA) determines that some or all of the responsive documents should not be released to the public, the letter to SAF/AAII (FOIA) must cite the rationale and the applicable FOIA exemption(s) or exclusion(s).

1.6. Accurate recordkeeping is a must! Without authorization from SAF/AAII (FOIA) or as provided in this HOI, a copy of all records, legal reviews, and any other applicable correspondence related to the request must be forwarded to SAF/AAII (FOIA) for filing and final processing.

2. Air Force Program Guidance (see AFMAN 33-302).

2.1. All HAF organizations must implement both the FOIA and Privacy Act (PA) to comply with this HOI and protect the rights of the U.S. Government and persons directly affected by Air Force actions.

2.2. This HOI applies to contractors performing FOIA/PA management support and those contractors performing duties/services/functions in place of, or in support of, U.S. Government employees. Performance work statements must include FOIA/PA requirements.

3. HAF Responsibilities

3.1. HAF FOIA Requester Service Center (SAF/AAlI (FOIA)) shall:

3.1.1. Manage the HAF FOIA program exercising the same procedural and staff responsibilities as specified in AFMAN 33-302.

3.1.1.1. Where SAF/AAlI (FOIA) can support FOIA management requirements for DRUs, FOAs, or other tenant organizations, that support will be delineated in a support agreement.

3.1.1.2. Help Two-Letter FOIA Monitors and OPRs with requests as required.

3.1.2. Ensure administrative correctness of all FOIA actions processed.

3.1.2.1. Control and process FOIA requests.

3.1.2.2. Provide acknowledgement of the request and interim responses to requesters, as required.

3.1.2.3. Approve or deny initial fee waiver requests.

3.1.2.4. Approve or initially deny any requests for expedited processing.

3.1.2.5. Task FOIA requests via eFOIA, the Air Force enterprise FOIA reporting and tracking system, to the Two-Letter FOIA Monitor and a notification to the Two-Letter workflow via Task Management Tool (TMT).

3.1.2.6. Refer documents containing external agency information for consultation.

3.1.2.6.1. When another federal agency has a clear and substantial interest in the requested documents, consultation with that organization is required.

3.1.2.6.2. Processes for FOIA requests for classified Air Force records that contains another federal agency's or DOD component's equities can be found in AFMAN 33-302, Chapter 5.1.5.

3.1.2.7. Send extension notices.

3.1.2.7.1. In unusual circumstances as defined in 5 U.S.C. § 552(6)(B)(iii), the time limits may be extended by written notice to the requester setting

forth the unusual circumstances for such extension and the date on which a determination is expected to be dispatched. No such notice shall specify a date that would result in an extension for more than ten workdays, except as provided in paragraph 3.1.2.6.2.

3.1.2.7.2. With respect to a request for which a written notice under paragraph

3.1.2.7.3. extends the time limits, SAF/AII (FOIA) shall notify the requester the request cannot be processed within the time limit specified, and shall provide the requester an opportunity to limit the scope of the request, so that it may be processed within that time limit, or an opportunity to arrange an alternative time frame for processing the request or a modified request. Refusal by the requester to modify the request reasonably or arrange such an alternative time frame shall be considered as a factor in determining whether exceptional circumstances exist as discussed in 5 U.S.C. § 552(6)(C).

3.1.2.8. Obtain recommendations from the OPR for records.

3.1.2.9. Prepare or coordinate on all proposed replies to the requester. Sign replies on behalf of the IDA when information is withheld from an Air Force record under the DOD policy to withhold the names of DOD personnel, no records replies, and when disclosure authorities approve the total release of records.

3.1.2.9.1. Some FOIA requests, especially at the HAF level, are broad and complex, and may involve multiple AF, DOD and other federal agencies. In such cases, the FOIA works best when all involved parties (SAF/AII (FOIA), FOIA Monitors, OPRs, and requesters) work together.

3.1.2.9.2. Accordingly, SAF/AII (FOIA) will be the focal point for HAF FOIA Monitors/OPRs recommendations; process recommendations to other AF, DOD, and federal agencies; refer HAF documents, containing external agency equities, for consultation to the appropriate office(s) of collateral responsibility; provide status updates; and keep requesters informed on the progress of response determinations.

3.1.2.10. Make the final decision on chargeable fees.

3.1.2.10.1. Ensure that all time expended on FOIA cases (e.g. OPR/legal office hours and costs etc.) is accounted for on DD Form 2086 and entered into eFOIA.

3.1.2.10.2. Collect fees within 30 days and assess interest on overdue fees pursuant to AFMAN 33-302

3.1.2.10.3. Notify SAF/A6PP when a requester is delinquent in paying an assessed fee to assert the non-payment as a basis for denying requests.

3.1.2.11. Provide the requester with appeal procedures and the basis for any adverse determination (i.e., no records, fee denials, fee category determinations, etc.) in enough detail to permit the requester to make a decision whether or not to appeal the actions taken, and provide the requestor with appeal procedures.

3.1.2.12. Train HAF personnel on the FOIA program.

3.1.2.13. Provide a reading room for inspecting and copying records.

3.1.2.14. Post non-PII records to the FOIA Electronic Reading Room.

3.1.2.15. Work with Public Affairs Office, OPRs, and Directors to post records that are likely to be of public interest in the AF Reading Room ahead of receiving FOIA for such information.

3.1.2.16. Manage RedactXpress licenses for the HAF FOIA program.

3.1.2.17. Submit annual reports to the Air Force FOIA Monitor (SAF/A6PP) as required by AFMAN 33-302, Chap 7, C 7.1.2.

3.1.3. On Appeal, SAF/A6PP (FOIA) will:

3.1.3.1. Reassess a fee category claim by a requester, overturning or confirming the initial determination.

3.1.3.2. Reassess a request for expedited processing due to demonstrated compelling need, overturning or confirming the initial determination.

3.1.3.3. Reassess a request for a waiver or reduction of fees, overturning or confirming the initial determination.

3.1.3.4. Review a fee estimate, overturning or confirming the initial determination.

3.1.3.5. Confirm that no records were located in response to a request.

3.1.3.6. Assemble the initial appeal package in accordance with AFMAN 33-302, Appendix 9 (AP9.5), and forward the tasking along with the draft appeal package to the applicable HAF organizational FOIA monitor for further processing.

3.1.3.6.1. Provide AFLOA/JACL a clean and bracketed copy of the records proposed for release.

3.1.3.6.2. Notify requester when the appeal has been accepted by AFLOA/JACL.

3.2. HAF Two-Letter Organizations shall:

3.2.1. Comply with this instruction and basic guidance contained in AFMAN 33-302.

3.2.2. Appoint in writing a primary and alternate Initial Denial Authority and FOIA Monitor for their two-letter organization (HAF/ES for the offices of the Secretary of the Air Force and the offices of the Chief of Staff) with responsibility to assist with the implementation of the FOIA Program in their organization.

3.2.2.1. Prepare and send an appointment letter to HAF FOIA Office usaf.pentagon.saf-aa.mbx.haf-foia-workflow@mail.mil (a sample appointment letter is at Attachment 3).

3.2.2.2. Submit changes as they occur, but not later than 5 duty days from date of the change

3.2.3. Ensure RedactXpress is readily available to process FOIA requests; ensure the organization has adequate copies of the RedactXpress software to process FOIA requests

3.3. FOIA Monitors shall:

3.3.1. Serve as the focal point for FOIA questions, reports, requirements, and correspondence.

3.3.2. Act as liaison between the organization and SAF/AAII (FOIA).

3.3.3. Create a local log book or database to log in all FOIA tasks for the organization

3.3.4. Staff request to appropriate office for action and suspense accordingly.

3.3.5. Ensure OPRs provide a written recommendation for records located and deemed releasable. This also applies to "no records" determinations.

3.3.6. Ensure all time expended on FOIA cases (e.g., OPR/legal office hours, FOIA monitors, etc.) are accounted for on DD Form 2086 and sent to SAF/AAII (FOIA) with the responsive records.

3.3.7. Review denial packages to ensure all appropriate coordination was obtained (i.e., IDA's decision and AF/JAA review(s)) and copies are provided to SAF/AAII (FOIA).

3.3.8. Request an extension.

3.3.8.1. The FOIA requires a government response within 20 workdays upon receipt by SAF/AAII (FOIA) of a perfected or correct FOIA request which complies with the requirements outlined in AFMAN 33-302, subsection C1.4.3. In unusual circumstances, as soon as OPRs determine the need for additional time to respond to the initial request, the FOIA Monitor shall acknowledge the request in writing, facsimile, or e-mail to SAF/AAII (FOIA) prior to the suspense set by SAF/AAII (FOIA); describe the circumstances requiring the delay; and indicate the anticipated date for a final response determination by the SAF two-letter organization's senior leadership, which at a minimum not exceed 10 additional workdays.

3.3.8.2. Request for extensions beyond the suspense date set by SAF/AAII (FOIA) must be signed by a senior officer (0-6 or GS-15). See Chapter 5, paragraph 2.6 (C5.2.6.) for more details concerning extension requests. Failure to meet extension suspense will result in notification of the staff principal (Secretariat Office, Air Staff Deputy Chief of Staff or equivalent).

3.3.9. Use the FOIA Monitor checklist at Attachment 2 to ensure required actions are complete.

3.3.10. Send FOIA responses to usaf.pentagon.saf-aa.mbx.haf-foia-workflow@mail.mil.

3.4. Offices of Primary Responsibility shall:

3.4.1. Review the FOIA request and provide SAF/AAII (FOIA) an estimate of fees, if cost will exceed \$15 or the amount the requester has agreed to pay, whichever is higher. Also, notify the FOIA Office if additional information is needed to conduct a reasonable search for records. Provide SAF/AAII (FOIA) a fee estimate and request for additional information not later than 5 duty days from receipt. The FOIA Office will notify your office to resume processing the request upon receipt of the requester's commitment to pay the fees or clarification.

3.4.2. Conduct a thorough review for requested records.

3.4.3. Complete the "no records" statement if the office is the OPR for the record and no responsive record found. Also, include the records management disposition governing the requested documents.

3.4.4. Identify external agency equities and refer the documents to the SAF/AAII (FOIA) to forward to the appropriate organization for consultation. If the external agency fails to reply by the suspense date set forth in AFMAN33-302, Chapter 5.1.5, redact and deny classified information pursuant to Exemption (b)(1).

3.4.5. Coordinate the release or denial of records requested with the organization's IDA and with AF/JAA on proposed denials.

3.4.6. Provide the organizational FOIA Monitor with the requested records, IDA's decision memo, and a copy of the legal review from AF/JAA.

3.4.7. Provide the FOIA Office a copy of the bracketed and clean copy of the responsive documents in a single .adx or .tiff file for Secret and below and hardcopy for Top Secret.

3.4.8. Provide written recommendations to the disclosure authority to determine whether to release records; obtain declassification authority approval when appropriate; and forward recommendations to the organization's FOIA Monitor.

3.4.9. Coordinate with the FOIA Monitor on requests for extensions, clarification, or guidance.

3.4.10. Ensure appeals are prepared IAW AFMAN 33-302, Appendix 9.5 and obtain AF/JAA and IDA coordination. Appeal packages should be forwarded to SAF/AII (FOIA) for completion and forwarding to AFLOA/JACL. Organizations that process FOIA actions do not have the authority to make a final decision to deny an appeal.

3.4.10.1. OPRs are responsible for ensuring adequate preparation of the FOIA appeal package for reconsideration by the IDA. Coordinate with AF/JAA, who will provide written opinions on substantive issues raised in the appeal.

3.4.10.2. If a requester appeals an Air Force "no records" determination, Air Force elements must search again or verify the adequacy of their first search. The package must include documents that show the Air Force element systematically tried to find responsive records. Tell, for example, what areas or offices were searched and how the search was conducted manually, by computer, by telephone, and so forth. In the event a requester sues the Air Force to contest a determination that no responsive records exist, formal affidavits are required to support the adequacy of any searches conducted.

3.4.10.3. All appeals must be reviewed by the Air Force IDA, who may grant some, all, or none of the appeal;

3.4.10.4. Appeals must generally be processed within twenty (20) days.

3.4.10.5. Capture all processing costs on DD Form 2086.

3.4.10.6. Use the appropriate OPR checklist(s) at Attachment 2 to ensure the required actions are completed.

4. Air Force Mandatory Declassification Review Program Guidance and Basic Principles

4.1. Basic Principles

4.1.1. A Mandatory Declassification Review (MDR), is a provision of Executive Order (EO) 13526, "Classified National Security Information", that allows members of the public to request a declassification review of a classified document(s) in order to obtain a publicly releasable version of the document(s). These requests are submitted to the agency whose equity, or "ownership", is invested in the document. Once an MDR request has been submitted to an agency for the review of a particular document, the agency must respond within one year from date of receipt of the request, either with an approval, a denial, or the inability to confirm or deny the existence or nonexistence of the requested document. Any individual or organization may request a review for declassification of information under EO 13526

9

4.1.2. Headquarters Air Force (HAF), Major Commands (MAJCOMs), Field Operating Agencies (FOAs) and Direct Reporting Units (DRUs) process MDR requests from the public for classified information originating within their agency.

4.2.4.7. OPRs are required to conduct a line-by-line review of the information and are expected to release the information unless such release is prohibited under statutory law (i.e. FOIA). When information cannot be declassified in its entirety, OPRs will make reasonable efforts to release the classified portions of the request information.

4.2.4.8. Provide requested records. Records may be provided electronically to usaf.pentagon.saf-aa.mbx.mdr-workflow@mail.mil or mdr.workflow@af.pentagon.smil.mil

4.2.5.4. Identify external agency equities and refer the documents to SAF/AII (MDR) to forward to the appropriate organization for consultation.

4.2.5.5. Ensure that exemptions are applied to specific information, the release of which would clearly and demonstrably be expected to:

4.2.5.5.1. Reveal the identity of a confidential human source, a human intelligence source, a relationship with an intelligence or security of a foreign government or international organization, or a non-human intelligence source; or impair the effectiveness of an intelligence method currently in use, available for use, or under development
