SUBJECT: FY 1993-1998 Nuclear Weapons Stockpile Plan (U)

I approve the Nuclear Weapons Stockpile Plan for the fiscal years 1993 through 1998, as presented in the attached Nuclear Weapons Stockpile Plan. Those levels may require adjustment, based on arms control achievements, as well as on other changes in the international political environment, the U.S. and allied response to that evolving situation, and the capability of the nuclear weapons production complex. (S)
